

MISSION MINUTE

PREGNANCY RESOURCE CENTER

We have had a few Village Groups serve alongside of Pregnancy Resource Center. This has been a great opportunity to aid in the advancement of the Gospel in the lives of thousands of women and men. The PRC affirms the sanctity of life because God himself cares about all lives, whether they are born or unborn. The PRC's mission is committed to providing compassionate care to women unprepared for pregnancy by offering resources and practical assistance for life-affirming choices.

PRC's Story

Over the past 27 years, the Pregnancy Resource Center of Metro Richmond has been a loving refuge and a valuable resource for over 29,000 women who were unprepared for pregnancy and in need of life-affirming choices; choices that uphold the sanctity of human life, choices that offer hope and a future abundant in blessings, choices that affirm the lives of both mom and her preborn baby.

You Can Get Involved!

The McLean’s serving at the PRC walk.

The first step for you to get involved in this is to join a Village Group and from there you can learn more about the opportunities we have to serve our neighborhoods and communities to continue to advance the gospel of Jesus Christ! You can also visit The City and join the “Outreach Opportunities” group to stay up to date regarding these events.

Throughout the course of this year we had the privilege to help fundraise over \$2,000 for the PRC through a baby bottle campaign where we filled bottles with checks, cash and change for the PRC. Village Church also gives monthly to this ministry.

During this year, the Pregnancy Resource Center has had close to 1,800 people come and visit them. We are thankful for their commitment to the Gospel and to seeing Jesus transform the people that they serve.

If you would like more information on the Pregnancy Resource Center please contact **Anne Greenwald** via the City.
